

Tehreek-e-Taliban Pakistan

SIGNS OF KHAWARIJ TERRORISTS

In the light of Ahadees of Prophet ﷺ

Signs of Khawarij Terrorists

The group that has launched deadly attacks on Pakistan is hiding behind an Islamic garb. They have waged this war in the name of establishing Islamic system and they have been strengthening the enemies through their war against Ummah of Rasul Allah ﷺ and Madina-e-Sani Pakistan. In the blessed Ahadees of Prophet ﷺ, this group has been called 'Khawarij', meaning they are the ones who are kharij (expelled) from the fold of Islam. The Prophet ﷺ gave glad tidings of Jannah (paradise) to the blessed army that would fight the Khawarij.

All the signs of the Khawarij terrorists which are mentioned in the Ahadees of the Prophet fit the Tehreek-e-Taliban Pakistan (TTP) and the like-minded terrorist groups. Let's see what the Ahadees have to say about these terrorists.

In various narratives of Ahadees, very clear signs of these insurgents / Khawarij are given and are described under:

احداث الاسنان

They will be young in age.

[Sahih Bukhari]

سفهاء الاحلام

They will be brainwashed.

[Sahih Muslim]

يقرؤون القرآن يحسبون انه لهم وهو عليهم

They shall quote the Quran believing that it is for them although in reality it is against them.

[Sahih Muslim]

يدعون الى كتاب الله وليسو منه في شيء

They will apparently invite the people to God's Book although they have nothing to do with it.

[Sunan Abu Dawood]

يقولون من خير قول البريه

They will speak the words of the best of people.
[Sahih Bukhari, Sahih Muslim]

[which implies that they will raise religious slogans and make Islamic demands].

يقولون من احسن الناس قولا

Their slogans and pretentious talks will be better than others' and moving.
[Tibrani, Al-Awsat Al-Mu'jam]

يسيئون الفعل

They will be extremely oppressive, blood-thirsty and violent.
[Sunan Abu Dawood, Baab fil qitaal al-khawarij]

هم شر الخلق والخليقة

They will be the most evil of the creation.
[Sahih Muslim]

انهم كلاب النار

They would be made the dogs of Hell [in the Hereafter].
[Sunan Tirmizi]

ينطلقون الى ايات نزلت في الكفار فيجعلوها على المؤمنين

They will take the verses revealed about the disbelievers and apply them to the believers.
[Sahih Bukhari]

Translation:

They will declare that the one who commits a major sin is a disbeliever.

They will declare lawful the blood and wealth of someone who commits a major sin.

[Abdul Qahir Baghdadi, Al-Firq bain ul Firq]

Translation:

They will seize a particular area and make it a centre of terrorist activity – as they did when they took Harura as their base.

[Ibn Taimiyyah, Majmoo'a Fatawah]

(They will make safe havens for themselves just like the TTP have made Swat and Waziristan their centres now a days).

كث اللحية

They will have thick, unkempt beards.

[Sahih Bukhari]

مشمر الانرام

They will wear their lower garments high upon their legs.

[Sahih Bukhari]

يخرج ناس من قبل المشرف

They will emerge from the east [of sanctuaries].

[Sahih Bukhari]

لا يزالون يخرجون حتى يخرج آخرهم مع المسيح الدجال

They will continue to appear until the last of them appears with the Anti-Christ.

[Nisai]

[which implies that they will continue to emerge in every generation].

لا يجاوزن ايمانهم حنا جرهم

Their faith will not pass their throats.

[Sahih Bukhari, Sahih Muslim]

[which implies that their faith is shallow and skin-deep, and that the qualities of true faith will not be visible from their conduct].

يتعمقون و يتشددون في العبادة

They will be extremists in religious matters.
[Al-samand Abu Al-Yali, Al-Musnif Abdur Razzaq]

يحقر احدكم صلاته مع صلاتهم وصيامه مع صيامهم

The believer will consider his own prayers and fasting insignificant in comparison to theirs [i.e., Khawarij].
[Sahih Bukhari, Sahih Muslim]

لا تجاوز صلاتهم تراقيهم

Their prayers will not pass their throats.
[Sahih Bukhari, Sahih Muslim]

[which implies that their prayers will not leave any effect upon their character or conduct].

يقرؤون القرآن ليس قرائتكم الى قرائتهم بشي

They will recite the Quran but the believers' recitation will not resemble theirs.
[Sahih Bukhari, Sahih Muslim]

يقتلون اهل الاسلام و يدعون اهل الاوثان

They will kill Muslims and let the idol-worshippers go free.
[Sahih Bukhari]

(In today's world we see that these insurgents take money from Mushrik, idol-worshipper` Hindus and are waging a war against the Muslims of Pakistan).

Translation:

Another sign of the Khawarij is that they will avoid negotiations with those on Haq just like they discredited the rule of Syedna Ali Al-Murtaza [RA].

[Ibn Taimiyyah, Majmooh' Fatawah]

خير قتلي من قتلوه

The one who is killed by them is the best person killed.

[Sunan Trimzi]

الاجر العظيم لمن قتلهم

Those who fight against them will earn a great reward.

[Sunan Ibn Majah]

شر قتلي قتلو تحت اديم السماء

They are the worst of those slain under the heavens.

[Sanan Trimzi]

(Meaning those Khawarij who are killed by an Islamic Army will be the worst casualties and the army who kills them will be the best warriors).

The symptoms and signs from the Ahadees prove that the Khawarij are those armed group or sect which believes that the majority of Muslim Ummah is astray and calls them innovators in Deen, Kafir (disbelievers) and Mushrik (polytheist). The Khawarij think that the blood and wealth of common man (Muslim or non-Muslim) is Halal (lawful) for them and they deny what is Haq (the right path) and destroy peaceful environment. They can emerge in any country and in any era. Now a days the terrorist group that has created anarchy in Swat and Waziristan (in Pakistan), belongs to the sect of Khawarij. They will keep on emerging in all times. The only solution for them is the sword. Blessed is the army which will end this insurgent group on earth.

Today, we see this insurgency and anarchy in the form of Tehreek-e-Taliban Pakistan (TTP). The blessed army that is destroying this anarchic group is Pakistan Army and according to the Ahadees of Rasul Allah ﷺ, this army deserves Jannah (paradise) and comprises of the best Ghazis (warriors).

May Allah bless Pakistan. (Ameen)
